**Kaufman Field Guide to Advanced Birding (Kaufman Field Guides)** By Kenn Kaufman

Birders can memorize hundreds of details and still not be able to identify birds if they don't really understand what's in front of them. Today birders have access to almost too much information, and their attempts to identify birds can be drowned out by excess detail. The all-new *Kaufman Field Guide to Advanced Birding* takes a different approach, clarifying the basics and providing a framework for learning about each group. Overall principles of identification are explained in clear language, and ten chapters on specific groups of birds show how these principles can be applied in practice. Anyone with a keen interest in identifying birds will find that this book makes the learning process more effective and enjoyable, and that truly understanding what we see and hear can make birding more fun.

### Editorial Review

#### Review

If birding is more to you than simply pinning a name to a bird, this is the book you'll turn to. The *Kaufman Field Guide to Advanced Birding* is nothing short of Kenn Kaufman's wisdom and teaching skills crystallized into 448 insight-packed pages. Not only will you love this book, you'll learn from it. -- Pete Dunne

Yes, it entails some dedicated reading, instead of just trying to match up pictures -- but any birder who invests time reading *Advanced Birding* is going to reap enormous benefits in the field. -- Scott Weidensaul

I think this is one of the most important bird books of our generation. A worthy sequel, to be sure, to Kenn's 1990 classic by the same name. I stand in awe. -- Ted Floyd, Editor, *Birding*

Anyone, from beginner to expert, wanting to improve upon their bird identification skills should study the *Kaufman Field Guide to Advanced Birding*. Being able to learn from Kaufman is a pleasure and an opportunity that shouldn't be passed up. -- Grant McCreary, The Birder's Library

There is no one out there, no matter how grizzled a veteran, who won't learn something from this book. And beginners and intermediate birders should not let the title scare them off, either: ... [Advanced Birding] is for every birder who wants to identify, understand, and enjoy more of the birds she encounters. -- Rick Wright on the ABA blog
