MedStudy Pediatrics Board Review Core Curriculum By MedStudy

This is the best published review book set for preparing for the pediatric board exam! This is produced by the MedStudy group and is a review/prep course for the pediatric boards (a separate set addresses the internal medicine board). While the format of the book condenses a large amount of peds information into a concise text, there are also pre-highlighted topics to focus your studying. There are also numerous tables to help better organize information. This five-volume set is sold with a shelf-organizer.
