My Best Friend's Brother: Teen Romance By MJ Thompson

"That's right. I'm in love with my bully."

Hope and Heather have been friends for years. But growing up, Heather's older brothers have always bullied the two, especially Hope.

Hope manages to avoid the bullying for a couple of years by only visiting when the twins are away at college with Hope's older brother, Ricky.

Now its her final year, she's transferring schools and moving closer to here friend, Heather. It seems pretty awesome when you think about it. Except for 2 things....

1. Her brother Ricky just got back; which means...
2. The twins would probably be home too.

It would be impossible to hide from her tormentors now that she's living in the same town. Basically, she's doomed. Or at least that's what she thought..

'My Best Friend's Brother' is a story of reconciliation, love, and finding that one person---your soul mate in the most unexpected circumstances.
