The Wizard and the Warlord: 2016 Modernized Format Edition (The Wardstone Trilogy Book 3) By M. R. Mathias

****The Wizard and the Warlord - The Wardstone Trilogy-Book III**** is the gripping conclusion to the epic fantasy trilogy that M. R. Mathias wrote in a Texas prison. This compelling volume brings the elves, dwarves, giants, and the dragons into the story again as our heroes, led by High King Mikahl and the great wizard Hyden Hawk, are forced to fight for the fate of the Kingdoms. This time, they do so against the terrible creature that Gerard Skyler has become, and the legions of demon-beasts that he commands.

From M.R. Mathias,

This is the CONCLUSION to The Wardstone Trilogy. It has taken me several years and a lot of sleepless nights to complete this grand work. I gave it my all, from the moment I put the inkpen to paper in prison, until the day I published Book III. I hope you like it.

You may see some of these characters and locals again, but the story of Claret and mighty Ironspike comes to its magnificent end here. Enjoy, M.R.

Editorial Review

Review

Seeing this grand story end was rewarding, yet I felt sad, too. I wanted the possibility of knowing what happens next to characters I cherished. Perhaps, at some point Mathias will continue the story or write a spin off. I know a trilogy has delivered for me when I am not quite ready to let it go. --Dr. Sheri Kaye Hoff After reading all three of the Wardstone novels I find myself wanting more. I love Hyden, Mikahl, and Phen. This is a great fantasy trilogy. Well written and worth every penny. The characters may never leave me --Liz Cornwell In the third and final installment of The Wardstone Trilogy M.R. Mathias finishes everything up in style with The Wizard and the Warlord! The conclusion to this stunning trilogy will not leave all of our heroes unscarred and in some cases they won't survive at all. Still, we are given a stunning conclusion to their lives. --Stuart C.
