Airbrushing on Cakes (Modern Cake Decorator) By Cassie Brown

Push the boundaries of cake decorating — your airbrush can do so much more than just shading cakes! Get creative with Cassie Brown as she shows you airbrushing techniques to turn all your cakes into showstoppers.

This book is not just about using the airbrush to add block colors — it includes lots of innovative airbrushing techniques like 3D shading, masking and even crater effects with water droplets. In addition, there are step-by-step instructions on carving and creating a range of beautiful cakes, with techniques ranging from magically turning a sponge cake into a sugar pumpkin to creating delicate and beautiful chocolate roses tinged with color.

It is bursting with valuable cake-decorating information, and packed with brilliant inspirational ideas!

Editorial Review

Review

Winter 2015 The latest in The Modern Cake Decorator collection, Airbrushing on Cakes offers tips, ideas and projects to inspire you to use an airbrush in your cake designs. The book opens with helpful information about setting up and cleaning your airbrush, as well as advice for mixing and testing colours. The projects then vary from simple to intricate designs, with airbrushing often being used alongside other sugarcraft techniques including sugar flowers, stencilling and modelling. A good introduction to airbrushing for beginners, this title has everything you need to get started. Cakes & Sugarcraft Magazine
