Captain's Paradise: A Novel (Hagen) By Kay Hooper

In this alluring novel of romantic suspense from *New York Times* bestselling author Kay Hooper, two lost souls face their demons—and forge a connection as profound as the ocean is deep.

When Robin Stuart is pulled, drenched and shivering, from the stormy seas, she can only cling desperately to the arms that surround her. But she has reason to suspect that she's traded one terror for another. Robin has been too close to danger not to recognize it again: in the eyes of the rugged, fearless man who saved her life.

Michael Siran is an expert at playing dangerous games. But from the moment the terrified beauty with the piercing gaze sets foot on his ship, he's touched by a true sense of purpose. Throwing caution to the wind, Robin insists on remaining by his side—even though she is asking the world of a man who trusts no one. As they share a passion born in turmoil and fueled by peril, Michael is determined to give her everything—if he can only make her understand that even heroes are human, and that her courage runs as deep as his love.

You could spend your free time to read this book this book. This Captain's Paradise: A Novel (Hagen) is simple to develop you can read it in the area, in the beach, train and also soon. If you did not have got much space to bring typically the printed book, you can buy the e-book. It is make you easier to read it. You can save the book in your smart phone. Therefore there are a lot of benefits that you will get when you buy this book.

Karen Bergeron:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or make summary for some guide, they are complained. Just small students that has reading's heart or real their interest. They just do what the instructor want, like asked to go to the library. They go to generally there but

nothing reading really. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Captain's Paradise: A Novel (Hagen) can make you truly feel more interested to read.
