### **Like the Flowing River: Thoughts and Reflections** By Paulo Coelho

Like the Flowing River is an intimate collection of Paulo Coelho's reflections and short stories, written from 1998 to 2005. These are powerful tales of living and dying, of destiny and choice, of love lost and found. Sometimes humourous, sometimes serious, but always profound, this book, like all of Coelho's work, explores what it means to be truly alive.
