The Lord of the Rings: The One Ring RPG By Francesco Nepitello

Smaug has been defeated, the Battle of Five Armies has been won, and Bilbo has returned to the Shire. But much danger still remains, and from the Orc-holds of the mountains to the dark and corrupt depths of Mirkwood a darkness waits, recovering its strength, laying its plans, and slowly extending its shadow . . . The One Ring Roleplaying Game is based on J.R.R. Tolkien's *The Hobbit* and *The Lord of the Rings*. Chock full of incredible artwork by leading artists, including John Howe and Jon Hodgson, and with evocative rules designed by award-winning games designer Francesco Nepitello, there has never been a Lord of the Rings game that's more evocative of Tolkien's unique vision. Along with rich and detailed background information, rules that focus on Tolkien's themes, character types unique to the world and a setting that changes as the Tale of Years progresses, when you play The One Ring Roleplaying Game you really feel like you are playing in Middle-earth.
