### **Editorial Review**

#### Review

'An excellent starting point for anyone wanting to know more about the role of music in human experience.' The Psychologist 'An insightful book on a fascinating subject.' The Lady 'A fascinating insight into our relationship with music.' -- Claudia Sunderhauf Waterstones.com 'Dr Vicky Williamson's love of and fascination with the book's subject rolls off every page. She conveys the mystery and magic of music in a very clear and understandable way that makes not just for a compelling read but also one that will make you hear and listen to music in new ways'. -- Jonathan Morrish PPL 'With a clear and conversational style, Williamson shares anecdotes as a springboard to discussing a range of experimental evidence for such intriguing uses. The reader gains considerable insight into how music can modulate emotional experiences. You Are the Music demonstrates how much the music within us matters. Remaining practical and thoughtful throughout, Williamson incisively places music in a biological context.' Science 'Her survey provides an uncomplicated look at music's power to impact human behaviour - \*\*\*\*' BBC Music Magazine

#### About the Author

Victoria Williamson is a lecturer and researcher in music psychology who holds academic posts in the UK and Switzerland. An expert in the impact of music on human behaviour, she has worked in both university and private industry research and hosts the popular educational blog [musicpsychology.co.uk](http://musicpsychology.co.uk).

Her personal musical life began aged six with classical guitar, an instrument that she still adores and has taught to both children and adults. A popular public speaker, she has presented her work at numerous forums including TED, the Latitude Festival, the British Science Festival and NPR.

Her writing has appeared in NME and her research has been presented across national and international media including BBC, ITV, Channel 4 and Sky (UK), CNN and MSNBC (USA), CBC (Canada), Radio New Zealand National, and 2SER and the Big Issue (Australia).
