**Hospitality Management Accounting** By Martin G. Jagels, Michael M. Coltman

As the hospitality industry continues to grow and the business environment become ever more competitive, it must become increasingly profit and cost-conscious in order to maximize revenue and minimize costs, all while maintaining the level of service necessary for a successful operation. There is no other hospitality management accounting book on the market that combines essential information, illustrative examples, and useful problems and exercises.

### **Editorial Review**

From the Back Cover

The updated, classic text on managerial accounting for hospitality businesses

Every dollar counts in the hospitality industry, which means revenues must be maximized and costs minimized. *Hospitality Management Accounting, Eighth Edition*, presents the fundamental concepts and analytical techniques required to take control of a real-world accounting system, evaluate the effectiveness of current and past operations, and manage finances effectively toward increased profits.

*Hospitality Management Accounting, Eighth Edition*, continues to define managerial accounting with such features as:

- A consolidated, in-depth review of the fundamentals of accounting
- Insight into the analysis and interpretation of financial statements
- A "bottom-up" approach to pricing
- Statements of cash flows discussed alongside working capital
- A cost-volume-profit approach to decision making and cost management
- Detailed focus on the operating budget and cash budgeting

This user-friendly text offers valuable preparation for the increasingly complex and competitive hospitality industry with hands-on coverage of computer applications and ethics situations focused on honing decision-making skills. Packed with accurate, up-to-date case studies, exercises, and problems, this Eighth Edition offers alternative solutions to provide a variety of problem-solving approaches.

*Hospitality Management Accounting, Eighth Edition*, equips hospitality management students with the skills they need to take command of one of the most crucial aspects of managing in today's hospitality industry.
