How to make the stock market make money for you By Ted Warren

As an experienced market technician and author of the book "Technical Analysis Simplified," I can state with some authority that Ted Warren's method of technical analysis is "head and shoulders" (no pun intended) above 98% of the other books out there that attempt to teach this subject. I have read nearly every book imaginable on market analysis, and this book displays a profound understanding of market machinations I have only found in one or two other titles. One of the things that struck me in reading Warren's book is that someone who cut his teeth on Edwards & Magee (the "bible" of technical analysis) would find himself having to unlearn much of what he was taught. Based on my experience, Ted's understanding of the markets was far superior to that of Edwards & Magee, and his technique is more accurate. While Ted's method isn't the most advanced or the most comprehensive of technical methods, it certainly is one of the most practical and proven ways of profiting in the markets that I have come across over the years. This book comes with my highest commendations. P.S. If you haven't learned to view the market--as Warren advocates--as a battle of "manipulators" vs. the uninformed investing public, you probably aren't cut out for trading in the markets, anyway, and should avoid them altogether.

Editorial Review

Users Review

From reader reviews:

Allison Price:

As people who live in the actual modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and move forward. Some of you maybe will update themselves by looking at books. It is a good choice for you personally but the problems coming to you is you don't know what type you should start with. This How to make the stock market make money for you is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Mary Crouch:

How to make the stock market make money for you can be one of your starter books that are good idea. All of us recommend that straight away because this publication has good vocabulary that could increase your knowledge in language, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort to place every word into enjoyment arrangement in writing How to make the stock market make money for you however doesn't forget the main point, giving the reader the hottest as well as based confirm resource details that maybe you can be one among it. This great information can drawn you into new stage of crucial considering.

Arthur Seaton:

This How to make the stock market make money for you is great publication for you because the content that is full of information for you who all always deal with world and still have to make decision every minute. That book reveal it facts accurately using great manage word or we can state no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but hard core information with lovely delivering sentences. Having How to make the stock market make money for you in your hand like keeping the world in your arm, data in it is not ridiculous one. We can say that no guide that offer you world within ten or fifteen minute right but this guide already do that. So , this is certainly good reading book. Hi Mr. and Mrs. hectic do you still doubt that will?

Marlin Brogan:

A lot of publication has printed but it is unique. You can get it by world wide web on social media. You can choose the most effective book for you, science, comedy, novel, or whatever by searching from it. It is identified as of book How to make the stock market make money for you. You can include your knowledge by it. Without leaving the printed book, it may add your knowledge and make a person happier to read. It is

most essential that, you must aware about guide. It can bring you from one spot to other place.
