Editorial Review

From the Back Cover

The insights you need to become a better decision-maker

Become a better decision-maker

How to overcome your biases and make better decisions

The tools to become a better decision-maker and a better manager

When faced with a decision, we all believe we're weighing the facts objectively and making rational, thoughtful decisions. In fact, science tells us that in situations requiring careful judgment, every individual is influenced by his or her own biases to some extent. Drawing on the very latest behavioral decision research, *Judgment in Managerial Decision Making, Seventh Edition* examines judgment in a variety of managerial contexts and provides important insights that can help you make better managerial decisions.

Widely-recognized by practitioners and academics in fields ranging from behavioral finance to public policy, psychology, and economics, this *Seventh Edition* of the classic text:

- Discusses the motivational and emotional influences that effect decision making
- Delves into the fairness and ethics involved in the decision-making process
- Integrates numerous hands-on decision exercises and examples that will help readers enhance the quality of their managerial judgment
- Provides tips and techniques on how to make rational decisions during negotiations
- Presents seven critical strategies for improving decision making

For psychologists, the book outlines a systematic framework for using psychological findings to improve judgment. For the economist, the book suggests a critique of the classic economic model of decision making. Most of all, however, for every manager or financial decision maker, this book offers a clear path to better decisions.

About the Author

Max H. Bazerman is the Jesse Isidor Straus Professor of Business Administration at the Harvard Business School. In addition, Max is also formally affiliated with the Kennedy School of Government, the Psychology Department, and the Program on Negotiation at Harvard. He is the author or co-author of over 150 research articles and chapters, and the author of numerous other books. Professor Bazerman was named one of the top 30 authors, speakers, and teachers of management by *Executive Excellence* in each of their two most recent rankings.

Don Moore is an Associate Professor of Organizational Behavior at Carnegie Mellon University's Tepper School of Business, and holder of the Carnegie Bosch Faculty Development chair. Don is also formally affiliated with CMU's Department of Social and Decision Sciences, and he is the founding director of the Center for Behavioral Decision Research. He received his Ph.D. in Organization Behavior from Northwestern University.

Users Review

From reader reviews:

Tom Burkhardt:

Book will be written, printed, or illustrated for everything. You can realize everything you want by a e-book. Book has a different type. As you may know that book is important issue to bring us around the world. Close to that you can your reading skill was fluently. A publication Judgment in Managerial Decision Making will make you to become smarter. You can feel much more confidence if you can know about almost everything. But some of you think this open or reading any book make you bored. It's not make you fun. Why they can be thought like that? Have you looking for best book or acceptable book with you?

Donald Worsley:

Exactly why? Because this Judgment in Managerial Decision Making is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who all write the book in such incredible way makes the content inside easier to understand, entertaining method but still convey the meaning completely. So , it is good for you because of not hesitating having this ever again or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I had been you I will go to the guide store hurriedly.

Zachary Foushee:

Playing with family within a park, coming to see the sea world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Judgment in Managerial Decision Making, you could enjoy both. It is good combination right, you still need to miss it? What kind of hang-out type is it? Oh can happen its mind hangout people. What? Still don't understand it, oh come on its referred to as reading friends.

Kenneth Leishman:

Do you like reading a reserve? Confuse to looking for your best book? Or your book seemed to be rare? Why so many concern for the book? But almost any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Judgment in Managerial Decision Making or maybe others sources were given knowledge for you. After you know how the truly great a book, you feel need to read more and more. Science publication was created for teacher or students especially. Those books are helping them to add their knowledge. In various other case, beside science book, any other book likes Judgment in Managerial Decision Making to make your spare time a lot more colorful. Many types of book like this.
