Editorial Review

About the Author

J.M. Barrie was born in 1860, the ninth of ten children of hard-working parents in Scotland's jute-weaving industry. Fascinated by stories of her own life told him by his mother, he was determined to write, finding work on the Nottingham Journal after graduating from Edinburgh University. In 1885, he moved to London as a freelance writer and successfully sold the Auld Licht Idylls, a volume based on his mother's tales. By the time Peter Pan opened on the London stage in 1904, Barrie had written more than thirty novels and plays, many autobiographical and several of them major hits such as The Little Minister, Quality Street and The Admirable Crichton. Knighted and awarded the Order of Merit he continued writing into old age. He died in 1937.

Mabel Lucie Attwell (1879-1964) was a prolific and popular British illustrator whose artwork was featured in children's books, periodicals, advertising, postcards, product design and other media. She was known for her stylized, nostalgic drawings of children.
