The Gansett Island Series, Book 3

For four of the best summers of his young life, Luke Harris was in love with Sydney Donovan, a wealthy seasonal visitor to Gansett Island. Then Sydney went off to college and never came back. She married another man and had two children while Luke remained on the island, working at McCarthy's Gansett Marina and wondering what had gone wrong between him and the only woman he ever loved. Fifteen months after Sydney suffers the tragic loss of her husband and children, she's returned to Gansett to figure out what's next, and that may very well be a rekindled love affair with the one man from her past she's never forgotten. Editorial Review

Review

Ready for Love is a beautiful and inspiring love story. I was riveted to the pages of Ready for Love not only for this magical romance but for the outstanding secondary plot lines as well. This maybe my first McCarthys of Gansett Island book but it will not be my last! I am in love with these people and the tiny island they live on. —
