**The Fourth K** By Mario Puzo

**A PRESIDENTIAL DYNASTY. AN ARAB TERRORIST ATTACK. DEMOCRACY UNDER SIEGE.** Mario Puzo envisioned it all in his eerily prescient 1991 novel, *The Fourth K*.

President Francis Xavier Kennedy is elected to office, in large part, thanks to the legacy of his forebears—good looks, privilege, wealth—and is the very embodiment of youthful optimism. Too soon, however, he is beaten down by the political process and, disabused of his ideals, he becomes a leader totally unlike what he has been before.

When his daughter becomes a pawn in a brutal terrorist plot, Kennedy, who has obsessively kept alive the memory of his uncles' assassinations, activates all his power to retaliate in a series of violent measures. As the explosive events unfold, the world and those closest to him look on with both awe and horror.

## Editorial Review

From Publishers Weekly

The latest from the author of *The Godfather* is a surefire success, a political novel that starts with a terrorist assassination of the pope on Easter Sunday, a deed that sends global aftershocks to jolt the power strongholds around the world, from the palace of the sultan of Sherhaben to the White House. The U.S. president is charismatic Francis Xavier Kennedy, scion of the famed and ill-fated clan. Still mourning his dead wife, Kennedy turns his energies to the country's betterment, forging an idealistic "new social contract." But Kennedy is also a target of the terrorists, whose mentalities the novel deftly probes: Romeo, a "Christ of Violence," needs to atone for his pampered upbringing; Yabril, a fierce Arab, privately thirsts to smite--like the angel Azazel--the president's daughter Theresa. After an appalling crime is committed, Kennedy coldly vows to bomb Sherhaben off the map, despite the American fortunes invested there. His cabinet and the wily, aged members of the Socrates Club--who control grain, real estate, oil, the media and Congress--plot to impeach him. Random acts of violence by young Americans (e.g., naive MIT scientists who plant a mini-atom bomb in Manhattan) enliven and multiply the dangers. Within the male power hierarchy, capable women like vice-president Helen Du Pray calculate their moves. Astute characterizations, vivid drama and Puzo's shrewd analyses of the paradoxes of evil detonate a top-notch thriller.

You will find the facts here are arrange for enjoyable looking at experience without leaving perhaps decrease the knowledge that want to supply to you. The writer of The Fourth K content conveys objective easily to understand by most people. The printed and e-book are not different in the information but it just different such as it. So , do you nevertheless thinking The Fourth K is not loveable to be your top record reading book?

**Joy Hutchinson:**

Reading a guide can be one of a lot of pastime that everyone in the world enjoys. Do you like reading book and so. There are a lot of reasons why people love it. First reading a book will give you a lot of new data. When you read a guide you will get new information because book is one of many ways to share the information or even their idea. Second, reading a book will make a person more imaginative. When you looking at a book especially tale fantasy book the author will bring someone to imagine the story how the character types do it anything. Third, you can share your knowledge to some others. When you read this The Fourth K, it is possible to tells your family, friends along with soon about yours book. Your knowledge can inspire the others, make them reading a book.

**Krystal Sutherland:**

As a college student exactly feel bored for you to reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just minor students that has reading's soul or real their interest. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that examining is not important, boring in addition to can't see colorful images on there. Yeah, it is being complicated. Book is very important for you. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Fourth K can make you experience more interested to read.
