What Your Birthday Reveals About You: 365 Days of Astonishingly Accurate Revelations about Your Future, Your Secrets, and Your Strengths

By Phyllis Vega

Born on December 3rd? You're an ambitious, hardworking "idea person" and a dynamic leader. Born on December 14th? You're the "traveling salesperson" of the zodiac and a gifted marketer. All Sagittarians are charming, intelligent, and adventure-seeking, but which day of the month you're born on can determine the way in which you use those traits to your best advantage. In this exciting new book, master astrologer Phyllis Vega gives a detailed analysis for each birthday in the year, combining astrology and numerology to paint a true picture of the characteristics, desires, and destinies of people born on that day. If you were born October 5th, you're a skilled negotiator with a gift for making money. But if you were born just four days later, you're a compassionate dreamer with spiritual inclinations. Aries is the sign of the determined ram, but if you were born on April 7th, you are idealistic and inspiring.
